Forms must be received by Monday February 6th, 2012. Participants will receive confirmation after that date.

Workshop Descriptions

Introduction to Family Literacy

The introduction to family literacy workshop will explore the meaning of family literacy... how everyday activities such as cooking, making crafts and spending time together are literacy experiences for children. You will learn how to expand on these activities to incorporate them into your family literacy program.

1-2-3 Rhyme with Me

1-2-3 Rhyme with Me is a fun, interactive rhyming and singing program for young children and their parents. Come and learn how to facilitate this program in your community. You will learn northern rhymes and songs in the workshop. You will receive a book and a CD of rhymes, stories and songs to use in your program.

Choosing Books

The choosing books workshop will explore different types of books and why we love them! Participants will have the opportunity to share their favorite books with others. You will learn how to read with enthusiasm and have fun with reading. Get set for some fun, hands-on book exploration.

Family Literacy in Your Community

Family literacy nights are a great way to get started in family literacy in your community. This session will explore different family literacy programs, ideas for family literacy nights, and ways you can partner with others in your community.

Science Fun

Science Fun is a ten unit program. Each unit has a simple science experiment linked to a book. Have fun exploring the world of science with young children.

Little Chefs

Little Chefs is a ten unit program. Each unit has a recipe which is linked to a theme in a children's book. The units also include craft, song and rhyme suggestions. Little Chefs is a fun way to get cooking with kids!

Storytime Adventures

Storytime Adventures is another ten unit program. Each unit is linked to a children's book, and each unit has ideas for crafts, games, songs and rhymes.
